

How a Patient Experiences Right to Shop

When seeking health care treatment, where you park matters.

Right to Shop rewards providers and patients that pick great care from high-quality providers.

Meet Jenny.

Jenny has Crohn's Disease and requires expensive infusions every eight weeks. Here's how **Right to Shop** helps her:

OLD SYSTEM

RIGHT TO SHOP

Out-of-pocket costs	 \$100 co-pay	 Jenny gets a check for \$500
Treatment cost	 \$40,000	 \$4,000
Quality of care	 5 star 	 5 star
