

## Gov. Ron DeSantis: Restoring Faith in Our Democracy

Issues like ballot harvesting, unsolicited mail-in ballots, Zuckerbucks, and inadequate voter ID plagued the last election and sowed distrust in the process among voters.

Florida Governor Ron DeSantis led by example in the Sunshine State by signing into law legislation that helped secure election processes. Here, he discusses what steps his state took to bring integrity back to Florida elections and restore faith in our democracy.

*“Ballot harvesting, unsolicited mailed ballots, Zuckerbucks, inadequate voter ID... that was something that plagued a lot of states and cause a lot of Americans to feel that this was not a good process that they could trust.”*

—FLORIDA GOVERNOR RON DESANTIS
