

## On the Street With FGA: Inflation

### *What are Americans thinking about inflation right now?*

FGA asked locals and visitors in Nashville, Tennessee, and heard that people are deeply worried about and profoundly impacted by rising costs, especially of food and fuel.

Americans say elected leaders aren't "looking out for everybody" and agree that inflation is "out of hand right now." Another said, **"I hate to say it—I'm a Democrat myself—but [President Biden is] killin' us."**
