

## FGA PROPOSED POLICY AGENDA

# 16 Biggest Impact Reforms

### Tame Inflation

#### Rein in Red Tape and Bureaucratic Overreach

- Legislative approval of costly regulations ★

#### Address the Worker Shortage

- Work requirements for able-bodied adults on welfare
- Reducing maximum weeks of unemployment
- Eliminate youth work permits

#### Crack Down on Fraud

- Program integrity for welfare and unemployment

#### Lower Energy Costs

- Push back on the Left's attempt to cut off energy companies' access to capital and allow financial services to discriminate through ESG ★

### Expand the Roadmap to the Middle Class

#### Create More Entrepreneurs and Skilled Workers

- Promote Right-to-Know in higher education and workforce programs
- Protect home-based business
- Fast-track permits ★

#### Protect Students, Empower Parents

- School board election reforms ★

### Secure Elections

- Stop outside influence, whether Zuckerbucks or the Biden administration ★
- Stop ballot harvesting
- Require photo ID
- Create election crimes unit ★

### Create a Private & Parallel Health Care System

- Non-profit, farm bureau plans
- Out-of-network access for lower cost services
