

TIM SCHAFFER
OHIO STATE SENATE

Hard Work and the American Spirit with Ohio Senator Tim Schaffer

Everyone has a memory of their first job and the lessons they took from it. For Ohio Sen. Tim Schaffer, that lesson has translated into the responsibility he feels as an elected official—to get bureaucracy and big government out of the way and protect opportunities for the next generation.

Watch to learn what Sen. Schaffer's first job was, and what his father left him that he calls the "best gift he could have given."

*"It's a story of unleashing the human potential.
That's what America is all about."*
