

2024 WYOMING Priority Reforms for the Cowboy State

Protect the American Dream

Solve the Worker Shortage and Create More Entrepreneurs

- Require able-bodied adults on welfare to work, train, or volunteer
- Stop Medicaid Expansion
- Reduce the maximum weeks of unemployment
- Strengthen work search activities

Lower the Cost of a New Home

- Fast-track permits
- Require legislative approval of costly regulations
- Set a regulatory budget and adopt zero-based regulation

Protect Kids and Empower Parents

- Improve election transparency and accountability for school boards
- Expand the options for students and parents for quality education
- Expand the pool of quality teachers by creating innovative certification pathways

Protect Our Fundamental Rights

- Guard the fundamental rights of free speech and equal protection
- Block the censorship and discrimination of DEI
- Ban divisive curricula (K-12)
- Ban ESG investing in government pensions and government contracting
- Ban debanking
- Keep investment advisors from considering ESG

Reduce Crime with Real Accountability

- Create accountability for rogue prosecutors
- Enhance program integrity for welfare and unemployment programs to stop fraud

Increase Voter Confidence with Fair and Transparent Elections

- Stop outside election influence (Zuckerbucks)
- Ban ranked-choice voting
- Stop ballot harvesting
- Expand voter ID
