**Why does  
Brad  
love FGA?**

*“FGA has the right people, model, and vision to drive lasting change. I’m so happy to be part of this all-star team!”*

Brad Koehler is the Development Operations Manager at the Foundation for Government Accountability.

Prior to joining FGA, he was the Manager of Strategic Partnerships at Safe Families for Children. He also previously served as a financial advisor with Thrivent Financial. He holds a Bachelor of Arts in Psychology from the University of Wisconsin-La Crosse.

Brad first experienced the value of work while working in a warehouse on summer break. To him, work means providing for his family, being the best version of himself that he can be, and building community.

When he’s not working, Brad loves spending time outside with his wife and dogs, golfing with friends, and traveling. A fan of the New York Giants, Wisconsin Badgers, and Milwaukee Brewers, Brad and his wife live in western Wisconsin.
