**Why does
Sofia
love FGA?**

"I'm proud to be part of a team that works every day to make Americans freer and more prosperous."

Sofia De Vito is a Legal Fellow at the Foundation for Government Accountability.

Prior to joining FGA, Sofia worked in insurance litigation, eDiscovery, and even started a small business. She holds a Juris Doctor degree from Stetson University and is a member of the Florida Bar.

Sofia's first job was answering phones and directing calls in her father's law firm when she was five years old. She was raised with the belief that there is no such thing as a free lunch.

In her spare time, Sofia enjoys reading history books, taking music and Muay Thai lessons (not at the same time), and hunting for treasure.
